Over the last ten years, I have gained valuable skills while working as videographer for a local television station. Now I am a freelance cameraman, and my skills include but not limited to:

- Knowledge of in studio equipment
- Knowledge of audio and video setups
- Ability to setup large video production events
- Experience with all aspects of live and tape video productions
- Familiar with daily operations of the news and production departments
- Familiar with Electronic News Gathering (ENG) and Digital Satellite News Gathering (DSNG) trucks
- Selected to manage the news assignment desk, this included oversight of the assignments for reporters and photojournalist daily
- Member of Local NABET 22 Rochester, NY

I have worked for several national news and sports organizations such as:

- NBC
- CBS
- THE EARLY SHOW
- ESPN
- FOX NEWS
- THE WEATHER CHANNEL
- MSNBC
- NEWSPATH
- CNN
- ASSOCIATE PRESS
- THE GOLF CHANNEL
- ESPN NASCAR

I have covered many special major news stories while employed as a Digital Satellite Truck Operator, utility, and cameraman for high profile sports, political, and news events.

- DSNG operator and cameraman for live coverage in NYC after the September 11 attacks
- DSNG operator and cameraman for live coverage of Pope John Paul II in Toronto
- Cameraman for a sit down interview with Dan Rather, CBS News in New York City
- DSNG operator for live coverage of Toronto Plane crash for CBS Newspath and the CBS "Early Show"
- Cameraman for Buffalo Bills football games, Rochester Red Wings, and other sporting events
- DSNG operator and cameraman for Jim Kelly induction into the Football Hall of Fame
- Pool cameraman for live election coverage in New York City for Hillary Clinton Senate seat for CBS newspath feeds
- DSNG operator for CBS "early show", weather cut-ins for harsh weather in Rochester and Buffalo.
- Cameraman for the Weather Channel's live coverage of flooding in Binghamton, NY
- Utility for the Golf Channel's coverage for the LPGA, Nation Wide tour, and PGA
- Cameraman for the Associate Press coverage of the record snow fall In Oswego, NY
- Cameraman for the "Geraldo At Large" show for a feature on an escaped prisoner in Upstate NY.
- Utility for the ESPN's live coverage for Friday Night Fights.
- Live Image magnifications cameraman for local production events.
- Utility/RF Pointer for ESPN's Live coverage of LPGA in Rochester, NY
- Utility/RF Pointer for ESPN's Live coverage of NASCAR Racing at Watkins Glen, NY

Sincerely,

Michael Sobolewski
